- Registration form will only be available between 16th May to 26th May, 2023.

CODING PLATFORM

- **HackerRank**

NOTE:

- If you don't have a HackerRank ID, create one beforehand. You may watch tutorials on YouTube on how to create HackerRank ID and how to use HackerRank Platform for coding contests.
- The event will be conducted in online mode only.

CONTEST RULES

- It is a solo coding contest.
- One must not discuss strategy, suggestions or tips in the comments during the live contest.
- Organizer's decision will be treated as final in case of any discrepancies. No correspondence in this regard will be entertained.
- Any type of plagiarism in the contest will lead to the disqualification of the participant.

SCORING CRITERIA

- Each challenge has a pre-determined score.
- Your score depends on the number of successful test cases passed upon submission.
- If a participant submits more than one solution per challenge, then the participant's score will reflect the best score.
- If two or more participants achieve the same score, then the tie is broken by the total time taken to submit the last solution resulting in a higher score.

PERKS

- Top performers will be awarded with goodies and e-certificates of appreciation.
