Mode of Exam:

Online Platform

Duration of Exam:

2 Hours

Question Pattern:

It contains two types of questions

- **Common Level Puzzles**
- **Qualifier Puzzles**

Instructions about the Exam:

- It is a level-based examination where each level contains 10 questions.
- The difficulty of questions increases with each level.

- There is no limit to the number of questions. You can attempt any number of questions.
- The exam begins with Question no. 1 of Level-(A).

Instructions for Common Level Puzzles:

1. In the Common Level, there are consecutive levels (A, B, C, D and so on), each consisting of 10 puzzles (A1-A9 & a Qualifier Puzzle(A10), B1-B9 & a Qualifier Puzzle(B10) and so on).
2. The question can be attempted only once. **He/She can't go back or change his/her answer once submitted.**

Instructions for Qualifier Puzzles:

1. The last question of each level (i.e. Q no.10, Q no.20, Q no.30...) will be a Qualifier Puzzle.
2. Qualifier Puzzles must be answered correctly as they serve as the only entry point to the next level.
3. If the answer is correct, he/she will automatically proceed to the next Common Level. Otherwise, his/her exam will come to an END.
4. **Privilege:** Even after answering wrong for only ONE Qualifier Puzzle he/she will be promoted to the next corresponding level but he/she will be awarded a negative mark for this according to the Marking Scheme.

NOTE: This is a one-time privilege, if he/she answers wrong to the Qualifier Puzzle for the 2nd time his/her exam will come to END as mentioned in point 4.

Marking Scheme:

Common Level Puzzles

MARKS/QUESTIONS	CORRECT RESPONSE	WRONG RESPONSE and PASS (more than max. limit)	PASS (under max. limit)
